

Dear Administrator or Professional Development Coordinator,

For over 30 years, TEI has been designing and delivering rigorous, graduate-level professional development courses for K-12 classroom teachers. On-site, online or in a blended learning environment, we offer courses in a wide range of subject matter - including Reading/Language Arts, Mathematics, Instructional Technology, Classroom Management, Instructional Strategies, Science and Human Factors.

Our courses are designed in compliance with State and National Standards, National Staff Development Council Standards, and the Course Development Standards of our Academic Partners. We adhere to rigorous Quality Assurance practices, and provide statistical results on learning outcomes. TEI courses may be taken for graduate credit or for professional development points/CEUs or their equivalent.
